

DOUBLE POLIO CHALLENGE!

J.E. . . . the March of Dimes will accept the following challenges plus a public debate on **"THE TRUTH ABOUT POLIO"** and let the public know all the facts . . . , POLIO can be eradicated within 90 days.

If. . . . Basil O'Connor's "gang" were **TRULY** interested in little children, they would **gladly** join in this crusade vs. POLIO, and accept these challenges. It's time the National Foundation stop their **FEAR propaganda** . . . "bleeding" the public out of **MILLIONS of DOLLARS** while innocent little children are offered in *sacrifice* on the altar of GREED for the almighty DOLLAR.

"We submit this challenge to the National Foundation for Infantile Paralysis, Dr. Jonas Salk, and the United States Public Health Service.

By agreement of all parties concerned, we will go into any designated hospital and take an unlimited number of acute polio patients, apply the Chiropractic methods of polio care we have been applying and welcome Life Magazine, Associated Press, United Press, Christian Science Monitor, and all reporters and commentators who desire to observe the results. WE WILL PROVE FOR THE BENEFIT OF ALL THAT THE CORRECTION FOR ACUTE POLIO HAS BEEN FOUND. Movies will be made of the cases handled that there may be no misunderstanding or denying the results. This is an open challenge made for the benefit of the American People and the Public Health."

"As an addition to this challenge we **will**:

Permit the nation to view the proceedings of the work via T.V. across the nation. We are ready to stand before the nation with our proof. Telecasts from the hospital wards every 6 hours that the entire nation may see for themselves. This would save thousands of lives! The most important news and interesting events are being brought to our nation via T.V. — Why should American people be denied this TRUTH and thousands die."

AN OPEN CHALLENGE To prove, to the "skeptical" and the world in general that Polio is **NOT** caused by any **LIVE VIRUS** (or 'mysterious little bug'), but is merely a disease of malnutrition and a problem in body chemistry, I offer the following:

*"I, Duon H. Miller, President of Polio Prevention, Inc., Coral Gables, Florida: hereby offer to personally serve as a 'human guinea-pig' by allowing blood from a new polio patient to be injected **DIRECTLY** into my bloodstream, or if the skeptics prefer they may administer this polio blood to me **ORALLY**."*

According to Bacteriology, any disease caused by a (so-called) virus is capable of reproducing by injection, **the same disease** as that undergone by the body from which they are taken.

WHAT BETTER PROOF CAN ANY MAN OFFER??

*How about it Basil O'Connor? Are you **MAN** enough to accept these challenges for the good of little children **everywhere???***

Now is the time for the National Foundation to come out in the **open** or follow the suggestion of a New York newspaper which recently printed (together with other facts regarding Polio): **"WE LOOK FORWARD TO THE DAY WHEN THE FOUNDATION GOES INTO SELF-LIQUIDATION."**

ANY POLIO VACCINE is Fraudulent and Dangerous

INOCULATION FOR IMMUNITY IS STRICTLY A "THEORY" AND THE PRACTICE OF INOCULATION MAKES THE BODY "UNCLEAN" AND SUBJECT TO SICKNESS WHICH MAY BE POLIO.

America has just witnessed the most horrible, unthinkable, dangerous, vicious crusade against HEALTH ever conceived. Millions of little children offered as sacrifices on the altar of greed . . . having their life's blood "polluted" with Dr. Salk's fraudulent vaccine . . . dead virus "pickled" in formalin, (formaldehyde) . . . **embalming fluid if you please.** This vaccination FRAUD is a frantic effort by the boondoggling, charity brokers to prevent the public from learning the TRUTH about the UTTER WORTHLESSNESS of The March of Dimes.

September 20, 1953, The UNITED NATIONS WORLD HEALTH ORGANIZATION COMMITTEE reports, "Efforts to Control Polio Complete Failure and condemns any large scale intramuscular injections." As late as October 21, 1953, didn't Dr. William M. Hammon, (University of Pittsburgh) discover of Gamma Globulin as a polio treatment, says "the new polio vaccine, being developed by Dr. Salk should not be treated with too much optimism."

ISN'T IT A FACT . . . as recent as October 26th, Mr. Joseph F. Nee, director of the fund raising drive for The National Foundation stated, "the next step will be toward perfection of the serum. We are very hopeful and feel that this time we are on the right track." Note Dr. Salk's serum was NOT PERFECTED . . . neither do they KNOW if they are "on the right track" . . . **THEY ARE NOT!** Yet, they want to inject this "embalming fluid" protein compound into the body of YOUR little child . . . just how LOW can humans stoop? Don't forget the case of little 10 year old Eleanor Briggs, returning home after her injection of anti-toxin on reaching the front porch collapsed crying, "I am dying" . . . and she DIED.

The "promoters" of this dangerous vaccine give NO GUARANTEE or NO ASSURANCE that it will not KILL your child . . . so . . . why should you take a chance?

ISN'T IT A FACT . . . that one of Dr. Salk's "instructors," a few years ago, came out with a vaccine? It was injected into innocent children many of the contracting polio and many DIED . . . the "instructor" then committed SUICIDE.

ISN'T IT FACT . . . that Dr. Salk himself stated that after he had injected his serum into "test" children that he couldn't sleep for a few weeks? Sickening . . . isn't it?? Inoculation is NOT based upon any scientific FACT, but upon "it's supposed to do" and "it seems to do" and "we believe it does" and so forth. It is "supposed" to produce antibodies, antigens and antigens. These are "myths."

NO VACCINE HAS OR CAN ACHIEVE ITS INTENDED PURPOSE. Vaccines have only filled countless cemeteries with innocent victims killed prematurely by FRAUDULENT injections.

Smallpox and other plagues were eradicated by sanitation engineers AFTER all vaccines and serums had FAILED COMPLETELY. It has now been documented and published that smallpox is traced only to the common BEDBUG! Sanitation eradicated SMALLPOX by eradicating the BEDBUG! (read Bacteria, Inc.)

2 British Medic Papers Urge Caution on Salk's Vaccine

LONDON, April 22, 1955 (Reuters)—The British Medical Journal today warned physicians against overenthusiastic acceptance of the Salk anti-polio vaccine citing "the possibility of toxic effects."

It's conclusions were echoed by the Lancet, weekly medical journal which said it would be "Very reluctant" to see the vaccine used on a large scale in Britain without further tests . . . it may prove harmful.

Also, it warned, "the possibility of toxic effects from repeated injections with monkey tissues must be considered."

April 14, 1955

Associated Press (Feb. 23, 1954 reports, "A group of 17 polio experts appointed by the U. S. PUBLIC HEALTH SERVICE reported last night that: It had found NO EVIDENCE that gamma globulin, a blood derivative, PREVENTED or MITIGATED paralytic polio when given in mass inoculation programs to all children in the 23 areas in 13 states which had epidemics last summer."

Gamma Globulin (scientifically a FRAUD) was such a COMPLETE FAILURE that the March of Dimes had to come up with something new to keep the DOLLARS rolling in. GAMMA GLOBULIN now secretly abandoned as WORTHLESS in Polio (even tho a good "money getter") POISONED the bodies of MILLIONS as we WARNED in 1953. A FRAUD.

Now, they inject this unproven, unscientific, DANGEROUS vaccine into the bodies of little innocent children for NO REASON in the world other than to protect their "racket." All vaccines against all diseases have always left in their paths DEATH and ill health.

Scientist and physician, Dr. William F. Koch, M.D., Ph.D., says, "the injection of any serum, vaccine, or even penicillin, has shown a very marked increase in the incidence of POLIO, at least 400%. Statistics on this are so conclusive, no one can deny it."

The famous Doctor Harry R. Bybee says, "My honest opinion is that vaccination is the cause of more disease and suffering than anything I could name." Doctor William H. Hay, M.D., in reporting on the Philippine vaccination program with a death rate running in places to almost 70% says, "If the record of vaccination in the Philippines were ever to become a matter of general knowledge it would FINISH vaccination."

In the Philippines in a period of three years following compulsory vaccination, occurred the greatest smallpox epidemic in Philippine history . . . with 162,503 cases and 71,453 deaths. In 1918, 47,369 of those vaccinated came down with Smallpox . . . 16,477 DIED. In 1919 . . . 65,180 were stricken with Smallpox . . . 44,408 DIED.

Among our own soldiers, in the Philippines, 674 were stricken from the vaccination and 249 DIED. In Japan, (by compulsion) EVERYONE is vaccinated for smallpox but, they had 285,061 cases of smallpox and 77,500 DEATHS.

Diphtheria vaccine . . . under our Army's orders in Japan . . . killed 61 infants in a single group in a single night. These are FACTS . . . not fancies. You cannot prevent any disease by poisoning the blood stream. The pharmaceutical houses would like to forget the "epidemic" in Dallas, Texas, and surrounding towns when their "antitoxins" killed 100 children and ruined the health of thousands.

Our Creator SEALED our bloodstreams . . . it should be kept PURE and UNBROKEN and not "polluted" by QUACK "medicos" for the mere benefit of The March of Dimes unscrupulous "money-grabbers," who from its very inception have conducted a colossal FRAUD.

Dr. T. M. Schippell of Washington, D. C., writes, "Parents—play safe! Let other callous parents permit this poisoning of their children. Just take your youngster off candy, soft drinks and colas and infantile paralysis will pass your family by. Remember, polio is not 'catching'—it comes from the insides of 'over indulged' kiddies." It's a lot of "monkey-business" when you inject "MONKEY-JUICE" into perfect, clean bodies that our GOD created. This CRIME against GOD and Nature by the forces of "anti-Christ" money-grabbers must he stopped.

NO VACCINE IS SAFE!
